EMPLOYMENT AND FINANCIAL STATUS CERTIFICATION

A loan approval is based upon employment, income, obligations and collateral as shown on the loan application and supporting documentation. You are required to advise us immediately should anything regarding your income, credit, debts and obligations, and condition of your property or property title change prior to the closing and recording of your loan. If you close your loan without reporting such changes your loan could be considered in default.

**NOTICE REGARDING FEES & CHARGES INCURRED
DURING PROCESSING OF YOUR LOAN APPLICATION**

Any fees paid at application or during the processing of your loan will be non-refundable unless the fee was for a specific report or service that had not yet been ordered or performed. During the processing of your loan application MVFCU will order a preliminary title search report. The fee charged by all title insurance companies for this title search is \$250. We may also order a flood hazard determination that involves a charge of \$15. If you fail to close your loan request with us in a timely manner after the title report and/or flood hazard determination have been obtained you will be required to pay the incurred charges.

BORROWERS CHOICE OF HAZARD INSURANCE PROVIDER

You have the right to choose the carrier of the required hazard insurance, subject to approval by MVFCU. MVFCU has the right to designate reasonable financial requirements and adequacy of coverage. All required insurance must be in effect at closing. Your closing may be delayed if you have not advised MVFCU of your selected insurance agent at least 3 days prior to closing.

HAZARD INSURANCE: Hazard insurance coverage is required for at least the amount of the total mortgage indebtedness including other mortgage loans against your home. The maximum allowable deductible is \$1,000.

EARTHQUAKE INSURANCE: Earthquake insurance is not required by MVFCU. Damage related to earthquake is not included in Hazard Insurance coverage. You should consult with your insurance agent on questions related to this or other hazard insurance coverage.

FLOOD INSURANCE: If it is determined that the property securing your loan is located in a special flood hazard boundary area you will be advised and flood insurance coverage equal to at least the amount of the loan will be required. In accordance with the requirements of the National Flood Insurance Program, any required Flood Insurance coverage must be paid in advance for 1 year and must be in effect before your loan can close.

**PROPERTY TAXES AND HAZARD INSURANCE PREMIUMS
WILL NOT BE INCLUDED IN YOUR PAYMENT**

Property taxes and Hazard Insurance will not be collected nor managed by MVFCU as part of your loan payment. You are responsible to pay these costs in a timely manner when they come due. If MVFCU determines that property hazard insurance or flood insurance has lapsed we can and will force-place an insurance policy that provides coverage solely for property damage. You will be charged for all insurance coverage that MVFCU is forced to place. If property taxes or other government assessments are not paid they can create a lien against your property. In order to maintain and protect our lien position MVFCU can pay these charges and will then add those amounts to the total balance owing on your loan.

ACKNOWLEDGEMENT and AGREEMENT

The interest rate and fees or charges reflected in the loan application and Good Faith Estimate are those that are in effect for the requested loan program on the day of application or disclosure. MVFCU makes no promise at this point that your loan application will be approved or closed.

By signing below, I agree that MVFCU is not responsible for any issues that may result as a denial of my loan request. I understand that failure to provide requested information or documentation in a timely manner may result in a denial of my loan application.
