*Base Interest Rate: *Each loan request is considered on an individual basis. The Base Interest Rate is the lowest interest rate available at MVFCU. Your actual interest rate may be higher depending on your credit history.*

**VISA Classic More Information: *As market conditions fluctuate, so does your interest rate. The rate is tied to a market prime plus a percentage (as low as prime +4%). Interest rates are the same for purchases and cash advances. You have 30 days to repay your balance for purchases before being charged a finance charge. No minimum finance charge, no per transaction fees, Cash Advance Fee \$5.00 (per day a cash advance is made, not per advance), Late Payment Fee \$15.00, cannot exceed the minimum payment due.*
