AMY ROBERTS (Incumbent)

I have been a member of MVFCU since I was a little girl and to this day am exceedingly proud to say I am a member of this great organization. Over the past 6 years it has been an amazing experience to help guide

and oversee our Credit Union as it continues to grow and expand services to our Alaska and Hawaii communities. It would be a great honor to continue serving our community and MVFCU members for another term as Director.

DAVID COMBS (Incumbent)

It has been such a privilege to serve on the MVFCU Board of Directors for the past 3 terms. Getting to learn about the inner workings of an amazing co-op has made me appreciate our local Credit Union so much more. I'd like to

continue to serve the members with my business and community expertise and knowledge base to help continue to move the Credit Union forward.

LOREN CRAWFORD

It's important to me to add value to each organization that I belong to. I gained a ground-level perspective of a credit union as a teller during my college years. As prior President and Finance Committee Chair of the

North Lakes Community Council, I successfully led the members through prudent decision-making processes. I've been a member of MVFCU for over a decade. I believe I'll add value to MVFCU members as a board member by improving the information with which decisions are made.

MVFCU 2024 Board of Director Elections

As a credit union, we are a financial cooperative that is owned by its members, not stockholders. Because of this distinction, each member, regardless of the size of their account, has one vote in electing a volunteer Board of Directors. This assures that your credit union's focus on your financial interest is not lost.

There are two (2) positions open for the 2024 MVFCU Board of Directors election being held April 3 through May 3. As a Credit Union, we offer our members two convenient methods to cast their ballots: online and paper.

Voting online takes just a few minutes and saves the membership thousands of dollars in printing and mailing expenses! To learn how to cast your online ballot, visit www.mvfcu.coop/votenow.

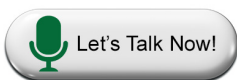

If you prefer a paper ballot, request one at any MVFCU office or one will be mailed to you by calling (907) 745-4891 or (907) 694-4891. Requests for mail ballots must be made by the close of business on April 19. All ballots must be received by the end-of-day on May 3.

Election results will be announced at the 2024 Annual Membership Meeting on May 11. There will be no nominations from the floor at the membership meeting.
